Get a Variety of Retaining Wall Blocks

Quandel Concrete/James W. Quandel & Sons offers retaining wall blocks in a variety of shapes and sizes. We use concrete retaining wall block forms built and engineered by World Block, a leading manufacturer in the industry.

Your options are endless to design a wall for your needs. Get curved, straight, interlocked, or caps - pick the one that's right for you! Call us today.

Two Different Block Types Available

We offer two different styles: World Block V-Interlock and World Block Landscape block. All blocks are made from excess concrete production to recycle waste material.

First-Come, First-Serve Basis on Blocks

Blocks are available on a first-come, first-serve basis. We normally have a large inventory in stock, but please call ahead for availability and pricing. You'll be pleased to know that we also deliver the products to the construction / worksite.
